

Product Description

Made from selected tool steel, these are fully hardened and ground. Squares have accurate right angles on the inside and outside. Both the blade and stock are made from a single piece of steel which ensures straightness and parallelism.

This range of squares comes in handy for setting up, checking machinery & in everyday workshop use.

Specification

Nr.	Ordering Nr.	Blade Length (L1) (from inner edge of stock to end of blade)		Stock Lenght (L2) (from edge of stock to inner edge of blade)		Squareness of blade edges to working faces of stock
